Subject: DNREC hearing comments

Matthew,

I would like to offer the following comment:

- 1) As a Delawarean who takes Land Use Issues seriously, I would like to have assurance that those people **already living** along our precious coastline will not be adversely affected by any new regulations from DNREC.
- 2) If anyone's undeveloped land is within the new overlay district, and will be adversely affected to future development/building or use by the owner, then that person **be allowed** time to be **contacted by the department** and have an opportunity to respond before any new ordinances take effect.

Thank-you.
